

Dear Prospective Donor:

We continue to hear in the news, almost daily, about the increase in the incidence of Autism. The incidence of Autism has risen from 1 in 10,000 just 10 years ago to 1 in each 91 children born in the USA today. Think of what that means - if the employees of your company were to have 1,000 young children, collectively, 11 or more of those children could have been or will be diagnosed with autism.

FEAT-NT is a non profit organization of parents and concerned professionals dedicated to providing education, advocacy and support for children with autism and their families. FEAT-NT has a one-stop community resource center and safe haven, offering a library stocked with the most recent information on autism, a parent workroom used to create therapy supplies, a 50 person capacity seminar room, therapy rooms with materials and more. FEAT-NT provides various support services for children and parents including parent mentoring, ongoing workshops, a quarterly newsletter, support group meetings, dietary and nutritional classes and safe play dates to help provide quality of life for children with autism and their families. In addition, FEAT-NT will introduce Sibshop, a sibling support program recognized throughout the USA.

To kick off our fund-raising efforts for FEAT-NT, our organization, TLC Fort Worth Foundation will be hosting the 3rd. Annual Hoedown in Cowtown Party & Golf Classic on April 30, 2010 with dinner buffet, Live & silent auction, raffle, live entertainment, blackjack tables and more.

Our auction committee is seeking donations of merchandise, services, gift cards or other items to be offered in a live or silent auction. Proceeds from this event will provide a substantial portion of FEAT-NT's operating funding. Your contribution is important to us. To show our appreciation, all donors will be recognized in our auction program and website.

We have enclosed a donor form which should be used to provide information regarding your donation. We extend a warm invitation for you to attend our event with family, friends and business associates. To purchase event tickets online go to www.hoedownincowtown.com

Warmest Regards,

Tracie L. Cohen
President
